Max Waiver in an anniversary year is ₹400. Veer Platinum, Veer Select, Fortune - Fuel transaction between ₹500 to ₹3,000. Max Waiver in an anniversary year is ₹3,500.

D. Interest free period:

Interest free period can range up to 51 days depending on the Payment Due Date. Payment Due Date can be between 18 and 21 days after the Statement Date. To check for exact Payment Due Date, refer monthly credit card statement. Depending on the Payment Due Date, credit free period can range from 18-48 days or 21-51 days. Interest-free period is not applicable if Total Amount Due is not paid in full.

Illustrative Example for Interest Free Period Calculation:

For a statement for the period 11th April to 10th May the payment due date will be 28th May. Assuming you have paid your Total Amount Due of the previous month statement by the payment due date, the interest free period would be:
For a purchase dated 12th April, the interest free grace period is from 12th April to 28th May which equals to 47 days and for a purchase dated 2nd May, the interest free grace period is from 2nd May to 28th May which equals to 27 days. However, if you have not paid the previous month's balance in full before due date, then there will be no interest free period.

E. Finance Charges (Interest Charges):

Interest will be charged as per Table B, on a daily accrual basis if the Total Amount Due of the previous statement is not paid in full on or by the payment due date. Interest will be charged on the payment due date and on all subsequent dates. GST/Taxes (from the transaction date till such time as the previous outstanding amounts are paid in full. In addition, interest will be levied on all cash advances from the date of the transaction until the date of payment excluding Kotak Solitaire Credit Card, Gold Fortune and 811 Dream Different Credit Cardholders, as they enjoy interest free period for all Cash Advances. Interest would also be charged if the full payment is received after the due date but before the next statement date. If you have been making a partial payment but you have paid the current statement outstanding in full on or before Payment Due Date then interest will not be charged. E.g. 20th June statement total balance is ₹5000. Payment Due Date is 11th July. Payment of ₹5000 is made on 8th July. No interest will be charged in 20th July statement.

F. Illustration of Interest Calculation:

Formula for Interest calculation = Amount-rate of interest per month-no of days*12months/365

Assume that you have paid all previous dues in full, and there is no outstanding due on your Credit Card Account. Your monthly statement is generated on the 25th of every month. You have a pre-approved limit of ₹737.16 and on 10th May and withdrew cash from an ATM for ₹2,000 on 16th May. Statement on 25th May will be generated with Total Amount Due of ₹2,617.16 and MAD amount of ₹737.16 consisting of total of Retail Purchase and Cash Advance. Cash Advance Fee of ₹500, Interest on Cash Advance, GST on Cash Advance Fee & Interest Charges. Assuming interest rate is 3.50% monthly (42.00% annualized), Interest on Cash Advance of ₹2,000 will be calculated from 16th May to 25th May (i.e. 10 days) - ₹2000*3.50%/10/12/365 = ₹23.01. MAD is calculated as 1% of Retail Purchase & Cash Advance = ₹120.01 (1% of ₹12,000) plus 100% of all fees and charges = ₹617.16 (₹23.01+₹4.14+₹500+₹90). GST @ 18% is applied on Cash Advance Fee of ₹500 and interest of ₹23.01 respectively.

Assuming in the above example, the Payment Due Date is 12th June and you made partial payment of only the MAD amount of ₹737.16 on 12th June with no new fresh purchases. Here, payment of ₹737.16 will be adjusted first against fees and others charges totaling to ₹617.16, balance ₹120 against Cash Advance. Assuming in the above example, the Payment Due Date is 12th June and you made only the MAD amount payment of ₹737.16 on 12th June with no new fresh purchases. In this case, payment of ₹737.16 is adjusted first against fees and others charges totaling to ₹617.16, balance ₹120 against Cash Advance.

Interest levied in statement generated on 25th June will be calculated as follows:

a. Interest on Cash Advance of ₹2000 @ 3.5%/pm from 26th May to 12th June (i.e. 18 days)	(₹2000*3.5%/18/12/365)	₹41.82
b. Interest on Purchase of ₹10000 @ 3.5%/pm from 10th May to 25th June (i.e. 47 days)	(₹10000*3.5%/47/12/365)	₹540.82
c. Interest on balance Cash Advance of ₹1880 after payment adjustments @ 3.5%/pm from 13th June to 25th June (i.e. 13 days)	(₹1880*3.5%/13/12/365)	₹78.12
Total Interest levied in 25th June statement will be	a+b+c	₹610.37

Total Payable for 25th June statement = (Previous Statement Total Due - Payment Made + Total Interest & GST of current Billing statement). Total Amount Due = ₹12617.16 - ₹737.16 + ₹610.37 + ₹109.87 = ₹12600.23. Minimum Amount Due = ₹839.04 (1% of balance Retail purchase and Cash Advance & 100% of interest on GST). Above mentioned illustration is applicable for a revolving interest rate of 3.5% p.m. & interest may vary depending on the card variant. Actual interest calculation and Due Date would vary based on the individual purchase and reborrow behavior.

Note: If you spend ₹1,000 and you pay back exactly the Minimum Amount Due ("MAD") every month, then it may result in repayment stretching over 14 months (calculation done with MAD as 1% subject to minimum cap of ₹100) with compounded interest payment on the outstanding amount. It is therefore suggested that whenever cash flow is available without more than MAD paid to the Bank.

Interest & Late Payment Charges will be applicable as mentioned in schedule of charges if no payment or payment made is less than MAD amount.

2. Credit and Cash Withdrawal Limits

Credit Limit means the maximum limit up to which you are authorized to spend on your Credit Card. Cash Limit means a subset of your Credit Limit and is lower than the Credit Limit. The credit limit is subject to which credit limit available to the Cardholder at its sole discretion and on such terms as may be communicated by the Bank from time to time. Add-on Cardholders share the same limits as that of the Primary Account Holder. The Credit Limit and Cash Withdrawal Limit will vary for each Cardholder and is communicated at the time of delivery of the Card. It is also indicated in the monthly statements. The available Credit Limit at any time is the difference between assigned credit limit and the amount of cash withdrawn or increased on the Card. The available Credit Limit at the time of generation of the monthly statement is provided as a part of the said statement. The Cardholder must not exceed his Credit Limit/Cash Limit under any circumstances. However, as per cardholder's explicit consent, the Bank may allow the facility to transact above assigned credit limit, and accordingly over limit fees/charges as applicable will be levied. In case you hold multiple Credit Cards with the Bank, the Bank may restrict the credit limit assigned on any of the cards. Any transaction(s) done in excess of the credit limit shall be declined (except in cases where explicit consent is obtained for over-limit facility and subject to eligibility as per Bank policy). If you opt for availing international transactions at the time of applying for the Card, the Credit Limit for international transactions will be the same as the maximum limit. If you wish to disable international transactions or increase the credit limit, you need to request the Bank. Minimum Amount Due is calculated as 1% of all purchase transactions and cash advances & 100% of EMI, Fees/Charges & Tax, as applicable. Any finance charge (interest charge), if levied, 100% of such amount shall form part of Minimum Amount Due. If as on the billing date the total outstanding is more than the credit limit sanctioned, then any such amount by which the outstanding exceeds credit limit, shall be added to the Minimum Amount Due. The shall cover the Minimum Amount Due as calculated above. If there is any unit and Minimum Amount Due or previous month, it shall also be added in the current MAD. Such carry forward will not factor in any over limit amount for previous month. Minimum Amount Due = 1% of Purchase Transaction & Cash advances + 100% of EMI + 100% of Fees/Charges (including finance or interest charges) + 100% of Tax, as applicable + 100% of over limit amount as on billing date + Any unpaid MAD for previous month (excluding the over limit amount for previous month).

On payment of total outstanding on or before payment due date, no finance charge (interest) will be applied on customer. Customer should always attempt to pay total amount outstanding to avoid interest charges. If customer pays any amount less than total outstanding on or before payment due date, interest free credit period for the month will be suspended. Making only the minimum payment every month would result in the repayment stretching over months/years with consequential compounded interest payment on your outstanding balance.

3. Your guide to Bill Payment

A. Your Statement

Bank will send you a monthly statement, e-mail and/or physical, through the delivery mode as specified by the Bank for each billing period during which there is any transaction/payment or any amount outstanding on the Card account. No statement will be sent/generated where the outstanding due is less than ₹100 and no transaction is done on the Card Account. Kotak NRI Credit Cardholders can opt for a Virtual Statement. Virtual Statement will be generated on a monthly basis. Non-receipt of statement would not affect your obligations and liabilities under the Cardholder Agreement and you shall be liable to settle at least the Minimum Amount Due before the payment due date.

B. Choose what amount you prefer to pay

If your payment of at least the MAD amount is received on or before the payment due date, you avoid Late Payment Charges. Minimum Amount Due (MAD) as reflected in billing statement should be fully paid before Payment Due Date to avoid any Late Payment Charges. Minimum Amount Due is calculated as 1% of all purchase transactions and cash advances & 100% of EMI, Fees/Charges & Tax, as applicable. Any finance charge (interest charge), if levied, 100% of such amount shall form part of Minimum Amount Due. If as on the billing date the total outstanding is more than the credit limit sanctioned, then any such amount by which the outstanding exceeds credit limit, shall be added to the Minimum Amount Due. The shall cover the Minimum Amount Due as calculated above. If there is any unit and Minimum Amount Due or previous month, it shall also be added in the current MAD. Such carry forward will not factor in any over limit amount for previous month. Minimum Amount Due = 1% of Purchase Transaction & Cash advances + 100% of EMI + 100% of Fees/Charges (including finance or interest charges) + 100% of Tax, as applicable + 100% of over limit amount as on billing date + Any unpaid MAD for previous month (excluding the over limit amount for previous month).

On payment of total outstanding on or before payment due date, no finance charge (interest) will be applied on customer. Customer should always attempt to pay total amount outstanding to avoid interest charges. If customer pays any amount less than total outstanding on or before payment due date, interest free credit period for the month will be suspended. Making only the minimum payment every month would result in the repayment stretching over months/years with consequential compounded interest payment on your outstanding balance.

Payments

Payments received from you against the Card outstanding will be adjusted against all taxes, fees and other charges, interest charges, EMIs, cash advances, purchases and balance transfer in that order. You should make all payments in Indian Rupees only.

D. Methods of Payment

- Online Mode: a. Using Kotak Bank Account: Pay via Mobile & Net Banking using Funds Transfer for instant or same day credit to your card account. b. Pay through standing instruction to the Bank for automatic payment of the bill amount every month for the bill amount. Minimum Amount Due on the payment due date. c. Using Non Kotak Bank Account: WebPay / NET / IMPS. Payment through WebPay will be credited within 3 working days (excluding weekends and bank holidays). Payment via IMPS is credited instantly while NET may take 30 minutes up to 3 working days. Add Kotak Credit Card as payee and use IFSC details of the Bank. For NEFT/IMPS for NET/IMPS, use instantly via Payment. You can pay your monthly Kotak Credit bill by transferring money from your Visa Debit Card. Please note that the transfer will typically be reflected in 2-3 working days. e. Using Bharat Connect - You can pay using Bharat Connect service on partner bank app/website, Bharat Connect platform, physical bill payment outlets or using third party payment applications. You can choose payment modes of your choice such as UPI, Net banking or debit card.
- Other Modes: a. Pay via cash across Kotak Mahindra Branch counter. Payment will be credited within 24 hours. For applicable charges, please refer the schedule of charges mentioned above. b. Pay via cheque favouring Kotak Mahindra Bank Credit Card No. Write your name & contact no. on the reverse of the cheque and drop the cheque at your nearest branch at ATM dropboxes. Payment will be credited within 5 working days. Non-Resident Kotak Mahindra Bank Credit Card holders can make all payments only from their NRE account. For detailed information on how to make payments visit www.kotak.com. Kindly note, it is recommended you pay your Credit Card due only through the payment modes specified above. Any credit card payment made via other channels including third party apps not affiliated with Kotak Bank, may have a higher TAT for clearance. Penal charges as applicable will be levied if payment is not received by the due date.

E. Billing disputes resolution

In the event the Cardholder disagrees with the charges indicated in the statement, it should be communicated in writing to the correspondence address of Kotak Mahindra Bank within 60 (Sixty) days of receipt of the statement, failing which it would be construed that all charges indicated in the statement are in order and acceptable to you. In case of unsuccessful / failed transaction, as per Harmonisation of IAT guidelines, the Bank will reverse blocked amount as per the timelines mentioned in the circular. In case if the merchant claims such transaction, the regular dispute process will be followed as per franchise guidelines which is covered in the compensation policy. Please note that in case you have a dispute in relation to an international transaction, you must provide us with a copy of your passport. In case of excess payment towards Credit Card initiated by the Cardholder, refund shall be processed upon request subject to Bank's internal checks.

4. Customer Contact Centre

In all your communication with us, please indicate your 16-digit Kotak Credit Card number. You may contact the Bank in any of the following ways.

- By calling our 24-Hour Customer Service Centre - 1800 4100 (toll free). The detailed list of phone numbers is available on www.kotak.com.

For any claims claim process - Call on toll free number 1800 266 4545 or email at care@zurichkotak.com with the below subject line for the email: "Kotak Personal Protect/KMBL cards/582208300 // (customer name) - Refer to MITC available at the website for more details.

5. Grievances Redressal / Complaints / Escalation

In the unlikely event of not being satisfied with our services, you can register your grievance by using grievance Redressal mechanism.

- (i) Level 1 - Branch/Customer Experience Centre/Online channel (ii) Level 2 - Nodal Officer (iii) Level 3 - Principal Nodal Officer**
If you have not received a satisfactory response at level 1, send an email to a Nodal Officer, A Shukla at nodalofficer@kotak.com or call 022-62242410 or write at Kotak Mahindra Bank Ltd, 4th Floor, Kotak Centre, 100, Infinity Park, off western Express Highway, General AK Vaidya Marg, Malad E, Mumbai 400007** If you have not received a satisfactory response within 2 working days at level 2, send an email to our Principal Nodal Officer, A Shah at pn@kotak.com. If your complaint is not resolved within 30 days of receipt of the Bank then the said complaint can be escalated to Banking Ombudsman. The details of banking ombudsman for your location are displayed at the branches. In case of delay in providing a resolution within the stipulated time, Bank at its sole discretion will decide if cardholder is entitled to any compensation.

6. Default

If Cardholder does not pay at least the Minimum Amount Due, Cardholder(s) will be reminded in each subsequent statement to pay their dues. In case of failure in paying the minimum amount due within the grace period after the payment due date will result in reporting to Credit Information Company within a period of 7 days. Delayed payment will result in the cardholder being reported as defaulter. The definition of defaulter may be subject to changes as defined by RBI. In the event of default, follow - ups may be done by post, and telephone, electronic mail, SMS messaging and / or engaging third parties to remind follow up and collect dues. The Bank and any third party appointed shall adhere to the Bank's Code of Fair Practice and Fair Credit Reporting. The Bank's Code of Fair Practice and Fair Credit Reporting Policy as modified from time to time. In the event the customer settles his/her dues after having been reported as defaulter, the Bank shall update the status within 30 days. The Bank shall be entitled to withdraw any default reported issue in case. The defaulter in question has liquidated his entire outstanding dues with the Bank or settled his dues with any third party or cancelled the use of the Card at any time without prior notice, if it reasonably believes it necessary for the Bank to recover and the liability of the Customer to make payment shall be valid and subsisting irrespective of the fact that the existing relationship of the customer has ceased with Bank and/or the card has been suspended / closed for any reason whatsoever.

7. Termination / Revocation of Cardholder'ship

You may choose to terminate your Credit Card facility at any time by calling the Bank's Customer Contact Centre 1800 4100 (toll free) or through Net Banking and cutting the card diagonally into pieces. Bank will close the card within the stipulated time if there is no outstanding on the card account. In case Bank fails to do so a penalty of ₹500 per day shall be payable to the Cardholder. Where the Credit Card is not used for more than one year, the card will be closed post providing 30 days' notice to the Cardholder. Kotak Mahindra Bank may also cancel the use of the Card at any time without prior notice, if it reasonably believes it necessary for the business or security reasons, including if you delay payments, exceed the Credit Limit or if Cheques are returned.

8. Loss/Theft of the Card

To report lost or stolen Credit Card, Cardholder must immediately notify the Bank by calling 1800 209 0000 or use digital channels - Kotak Mobile Banking App, Website or Net-Banking to block the card instantly. The Cardholder must file a First Information Report ("FIR") with the local police. The Cardholder will, however be liable for all losses when someone obtains and misuses the Card or PIN with/without - Cardholder's consent, or consent of an Add-on Cardholder or if the Cardholder has acted fraudulently to obtain the Card. In such cases, the Bank will not be liable for the loss or misuse of the Card. The Cardholder will be liable to pay the Card and any third party appointed shall adhere to the Bank's Code of Fair Practice and Fair Credit Reporting. The Bank's Code of Fair Practice and Fair Credit Reporting Policy as modified from time to time. In the event the customer settles his/her dues after having been reported as defaulter, the Bank shall update the status within 30 days. The Bank shall be entitled to withdraw any default reported issue in case. The defaulter in question has liquidated his entire outstanding dues with the Bank or settled his dues with any third party or cancelled the use of the Card at any time without prior notice, if it reasonably believes it necessary for the Bank to recover and the liability of the Customer to make payment shall be valid and subsisting irrespective of the fact that the existing relationship of the customer has ceased with Bank and/or the card has been suspended / closed for any reason whatsoever.

9. Disclosure

The Cardholder acknowledges that as per existing business practices, the Bank is authorized to disclose from time to time any information relating to the Credit Card (s), to any credit bureau (Existing or Future) after notifying the customer. The credit information BUREAU India (CIBIL) and other credit bureaus is an initiative of the Government of India and Reserve Bank of India.
